SMACNA Sacramento Valley Chapter

# WELCOME

Thank you for your interest in our Associate Membership program. SMACNA has been an influence in the sheet metal and mechanical industry in the Sacramento Valley for many years and continues to be a very viable association representing both signatory contractors and associate members. Our many associate members are a valued part of SMACNA and provide valuable and needed input into the association.

Enclosed in this packet you will find the following:

- Benefits of Membership
- 2009 SMACNA Calendar
- Sponsorship Opportunities
- Membership Application

Once you have had a chance to review the packet we are positive you will want to be a part of this dynamic association. The membership dues are \$200.00 per year and are pro rated according to when you join. There is a \$50.00 initiation fee payable with your application.

If you are interested in becoming a member, complete the application and return it to this office with the \$50.00 initiation fee. You will then be billed the applicable dues.

I look forward to welcoming you as a new associate member of SMACNA Sacramento Valley. Please give me a call if you have any questions concerning the benefits of membership in SMACNA.

Sincerely,

Kathleen Mitchell  
Executive Vice President
